Dear George:

Your approval is requested for five-hundred hours of additional non-exempt overtime, at an estimated premium cost of \$750, to be used in support of the 14-channel data-reduction equipment development program. The additional overtime is required to expedite the completion of the necessary production drawings so that fabrication and procurement of additional racks of equipment may be undertaken in time for the equipment to be completed in phase with System 4. This overtime will be worked during the period April 26 through June 15. In accordance with your verbal authorization, such overtime was begun April 26.

Sincerely,

Bob
